NOTICE TO HOLDERS OF MOTOR VEHICLE LICENSES
DO NOT LOSE OR MISPLACE THIS LICENSE

Every holder of a Motor Vehicle License is furnished with a sticker emblem numbered to correspond to the license (receipt). Be sure to verify said numbers before affixing sticker emblem.

Licensee is required, in accordance with the provisions of a City Ordinance, to affix said sticker emblem in the lower right-hand corner, on the inside of the glass part of the windshield of each motor vehicle, approximately one inch from the right and lower section of the frame of said windshield.

Transfer of License to New Owner: In case of sale of a motor vehicle, should seller desire license transferred to purchaser, the sticker emblem must remain upon the vehicle sold. Upon the surrender of original license (receipt), with endorsement on the back thereof by seller, and the payment of \$1.00 transfer fee to the City Collector, a transfer will be issued giving permission to new owner to display said sticker emblem only upon purchased vehicle.

Transfer to New Vehicle-same Owner: In case of disposal of a motor vehicle, should licensee desire to transfer license to a new vehicle, licensee must immediately remove sticker emblem completely from disposed vehicle (using care not to deface license number) and surrender same to City Collector. Upon the payment to the City Collector of the prescribed fee, a new license (receipt) and sticker emblem will be issued.
